

**Statement of
Factory Production Control
Compliance**

0888-FPC-0223-2020

In compliance with Regulation (EU) No 305/2011 of the European Parliament And Of The Council of 9 March 2011 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Regulation – CPR) it is stated that the manufacturing plant:

**Eurorail Crash Barriers 2000 Ltd.
Unit 5 Joiners Court
Bawtry Road
Retford
Nottinghamshire
United Kingdom
DN22 8NW**

has undergone an assessment of the Quality Assurance System of the above applicant for compliance with the requirements of EN 1317-5:2007+A2:2012 *Road restraint systems – Part 5: Product requirements and evaluation of conformity for vehicle restraint systems* and that the notified body HORIBA MIRA Certification Limited (0888) has overseen the surveillance inspection of the factory and of the factory production control.

The Quality Assurance System complies with the requirements identified in section 6.3 Factory Production Control of EN 1317-5:2007+A2:2012, *Road restraint systems – Part 5: Product requirements and evaluation of conformity for vehicle restraint systems*.

The notified body HORIBA MIRA Certification Ltd (0888) has performed an assessment of the initial type-testing for the relevant characteristics of the products and this certifies that HORIBA MIRA Certification Ltd has further carried out an assessment of the Quality Assurance System of the above applicant for compliance with the requirements of EN 1317-5:2007+A2:2012 *Road restraint systems – Part 5: Product requirements and evaluation of conformity for vehicle restraint systems*. Should any major change occur to the Quality Assurance System, it is the responsibility of the above named to inform HORIBA MIRA Certification Ltd.

The Assessment was conducted as part of the approval for the:

TATA Steel Construction Products Vetex and Parapet 365 components
manufactured by:

Eurorail Crash Barriers 2000 Ltd.

on behalf of:

TATA Steel Construction Products

This statement is only valid for the quality system as assessed and is subject to re-validation before 31st July 2021.

Signed:

Date:06/11/2020
